Meet Our Speakers

The Women's Ministry, in partnership with the Christian Education Committee, is bringing prolific author and national speaker, **Mrs. Donna Partow**, as our keynote speaker for the Symposium and weekend. Two of her books have been studied here at CPBC: *Let Your Life Count* and *Becoming the Woman God Wants Me to Be*. Using Biblical and contemporary examples, including Donna's personal life journey from drug dealer to Christian communicator, her books depict all too well that we are full of God-given potential.

Bringing the message on Sunday, August 22, will be **Rev. Dr. Cynthia T. Turner** who is the Senior Pastor of the Dayspring Community Church in Lanham, Maryland. She brings to the pastorate a keen sensitivity to the critical need to promote its members physical and mental health, as it continues its long-held mission of ensuring spiritual health.
