This Annual Report collects statistical, leadership, and financial information. The data is widely used for variety of purpose, including:

- Developing strategic priorities, programming, and initiatives for DCBC's work with member congregations.
- Determining the number of DCBC annual meeting delegates for your church.
- Regional and national directories (ABC, SBC & PNBC)
- Statistical reporting within DCBC and national bodies. Statistics results are often used by funders.
- Congregational Profiles for pastoral search committees and strategic planning.
- Per capita calculations for financial reports and recognitions.
- Provide historical information for your church.

Our three denominations benefit from having the most accurate information possible on our congregations. Please carefully review and enter requested information.
