Give Today to the National Capital Area Missions Offering

The National Capital Area Missions Offering supports the ministry work of the D.C. Baptist Convention. Through NCAMO, the Convention is able to help those with the greatest need as well as to support our member churches in their outreach and ministry endeavors. While individually our churches can, and do, have a positive influence on the people and communities they serve; collectively we are able to have an even greater impact on the entire region. Please give sacrificially today to our unified efforts to advance the emerging work of God. Gifts can be made through our website by clicking [here](#) or by sending your offering to DCBC, 1628 Sixteenth Street, NW, Washington, D.C. 20009. Thank you for your continued support!
